TRINITY TRUST TEAM - OVERVIEW

The Trinity Trust Team was established in 2000 by the Churches Together in Godalming, a body of churches with the vision to support Christian youth ministry within the churches and outreach into local schools and community. Today it remains funded largely by churches in the town, from individual donors and external (non-faith based) funding organisations.

TTT comprises a team director and three full time youth workers whose youth provision varies from overtly Christian ministry (church based work/bible study, discipleship groups, faith based school assemblies and lunchtime Christian Unions) to community outreach; witnessing to young people through after school cafés/drop-ins and a raft of youth groups and activities. TTT also relies on a team of volunteer leaders who help out at many of the groups throughout the week.

TTT also supports local schools through various programmes and workshops ranging from transitioning from junior to senior school, Yr 7 induction, lunchtime and after school clubs.

TRINITY TRUST TEAM - VISION

The Trinity Trust Team pursues a united and growing vision for God's work with young people; to work together to **witness**, to **nurture** in faith and **mentor** young people throughout the Godalming area.

TRINITY TRUST TEAM - VOLUNTEERING

WHAT YOU CAN EXPECT:

To lead only when you are available/willing

We work our rotas around when people are available. If you want to lead every week, that'd great, but if you want to lead once a term that is OK too! If you want to take a term off, again that is fine – just let us know when you can/can't be there!

To be given opportunities for further training

We don't expect you to know everything already – we will provide opportunities for training in any area you need. If you feel the need for training in any area, please let us know and we will provide it.

To be given support and guidance

We can help you prepare and lead sessions in any way you wish, from providing just a theme, to giving you a whole session outline to work from. Again, just let us know, and we will help and support you as we can.

To be part of a team

You are not expected to lead whole sessions on your own! We work together as a team to bring the best to the sessions that we can – we all have different gifts!

ABOUT WOWZA!

Wowza! is a Christian run after school club for anyone in school years 3 – 6, whether they are involved in church or not. We meet at St John's Church Room in Farncombe from 4:00pm – 5:00pm each Monday during term time for some games, craft, quizzes, and conversations. The sessions may contain a Christian theme but they are not built as teaching programmes, rather as an opportunity for an hour of fun after school. Each week we have 6 – 12 young people in the group. If you think you'd like to volunteer for Wowza! then contact Patrick Davies on 07988 894397 or on patricktrinitytrustteam@hotmail.co.uk
